INTRODUCING
***XBH* ENDURANCE**
Canadian  *Edition* **8x8**

This vehicle was inspired by you, the Canadian outdoorsman. Your feedback of important ideas over the years, has contributed to the development and production of an amphibious off-road vehicle that will meet or exceed the expectations of those who demand the very best.

Power ! Torque ! Comfort ! Dependability !

The XBH Endurance features a robust 52 HP fuel injected 3 cylinder liquid cooled Chery Gas Engine.
